Sven Dupré GLASSY WORLDS
(Utrecht University)

The Department of the History of Art and Architecture, UCSB is pleased to announce a lecture in the Department’s 2017-2018 Lecture Series, “The Senses.” In this talk, Sven Dupré investigates the intersection of glass-making, oil painting and the question of celestial matter in the time of Galileo.

Tuesday May 29th, 5:30
(a reception will follow)
